

2018 COLLEGE ADMISSIONS TRENDS

LIA TANTI

Educational Consultant

Lia has had over ten years of experience working in education, from tutoring and teaching to educational consulting. She graduated with a BA in French at UC Santa Barbara and an MA in French and Comparative Literature at the University of Lyon in France. She then worked for several years in France and later Germany as a language teacher, continuing to follow her passion for languages and culture. As a teacher, Lia fostered an engaging classroom, leading discussions and exercises to strengthen students' communication skills and help them reach fluency. Lia applies her strong communication skills and a creative approach to helping students realize their potential and achieve their college goals.
